

Gerald Spencer

Mechanical engineer passionate about:
Devops, Engineering management, Fluids, Mechatronics and Thermal design

Education

2010-2014 **BSc, Mechanical Engineering W/ USCG License**
California Maritime Academy (Vallejo, CA)
Licensed United State Coast Guard 3rd Assistant Engineer

Experience

2013 - Present **3Scan - Director of Production Engineering**

Blah

- First item
- Second item

2015 - Present **Flux Foundation - Lead technologist**

1/2018 - 9/2018 **Temple Galaxia - Project Manager | Lighting lead**

- Engineering project management between three build locations
- Development of structures electrical schematic to CA Title 24 standards
- Lighting design: Custom PCB circuit boards, manufacturing and layout
- Custom software architecture and compute hardware to modular 1200 addressable incandescents

4/2011 - 4/2013 **Taylor Collaboration - Engineering Intern:**

-

Technical Experience

Project 1 For items which don't have a clear time ordering, a definition list can be used to have named items.

- a
- b

Project 2 Flux [flux]

Mechatronics Programming languages **servos:** Working with sserrrvoces
python: Language
